# 2010 International Women's Festivals California

## International Women's Day

A day to remember...  
The year to act...

*Time to focus*

Women are half the world's people Who  
do two-thirds of the world's work. They  
earn one tenth of the world's income  
and own one hundredth of the world's property.

Source: United Nations

### Our Vision

Women's Festivals, the premier not-for-profit gathering of women seeking to empower themselves by connecting with the tools and resources they need to flourish and prosper in all aspects of their busy lives.

### Our Mission

To ... further the celebratory momentum behind Women's History Month and International Women's Day, which is always on March 8th.

To ... address the crucial issues facing women today in an interactive, multi-cultural, and entertaining format—providing fertile ground for networking, referrals, and resource sharing.

To ... benefit, encourage, and support visionary non-profit organizations specifically concerned with fostering women's economic development, e.g., NAWBO, Girls Inc., Future Women CEOs, etc.
